APPLICATION FOR MEMBERSHIP AND ELECTRIC SERVICE

The undersigned (hereinafter called the Applicant) hereby applies for membership and agrees to purchase electric energy from the **Cagayan I Electric Cooperative, Inc.** (hereinafter called the Cooperative), upon the following terms and conditions.

1. The Applicant will pay the Cooperative the sum of P20.00 which, if the applicant is accepted by the Cooperative will constitute the applicant a membership fee;

2. The applicant will, when electric energy becomes available, purchases from the Cooperative all electric energy used on the premises described below and will pay therefore monthly rate to be determined from time to time, in accordance with the by-laws of the Cooperative;

3. The applicant will cause his premises to be wired in accordance with wiring specifications approved by the **New Philippine Electric Code; (R.A. 7920);**

4. The Applicant will comply with and be bound by the provisions of the charter and by-laws of the Cooperative, and such rules and regulations as may from time to time be adopted by the Cooperative;

5. The applicant, by paying a membership fee and becoming a member, will assume no personal liability from any debts or liabilities of the Cooperative and it is expressly understood that under the law, his private property is exempt from execution for any debts or liabilities;

6. The undersigned will grant the Cooperative at its request the necessary rights and easements to construct, operate, replace, repair in or upon all roads, street or highways abutting said property, its lines for the transmission or distribution of energy and will execute and deliver to the Cooperative any conveyance, grant or instrument with the Cooperative shall deem necessary or convenient for said purpose or any of them. All lines of the Cooperative and switches, meters and other appliances and equipment constructed or installed by the Cooperative on said property shall at all time be the sole property of the Cooperative, and the Cooperative shall have the rights of access to said property to operate, maintain or relocate its facilities;

7. The Cooperative shall not be liable for damages to the applicant for failure to supply electricity to said premises under any conditions;

8. The applicant will comply with and be bound by the provisions of **Republic Act 7832**, the Anti-Electricity and electric Transmission Lines/materials Pilferage Act of 1994. It is hereby declared unlawful for any person, whether natural or juridical, public or private to:

a.) Tap, make or cause to be made any connection with overhead lines, service drops, or other electric service wires, without previous authority or consent of the private electric utility or rural electric cooperative concerned;

b.) Tap, make or cause to be made any connection to the existing electric service facilities of any duly registered consumer without the latter's or the electric utility's consent or authority;

c.) Tamper, install or use a tampered electrical meter, jumper, current reversing transformer, shorting or shunting wire, loop connection or any other device with interferes with the proper or accurate registry or metering current or otherwise results in its diversion in a manner whereby electricity is stolen or wasted;

d.) Damage or destroy an electric meter, equipment, wire or conduct or allow any of them to be so damaged or destroyed as to interfere with the proper or accurate metering of electric current.
